Travel Styles

At APT, we understand how to get the most out of each and every place we visit. Experience the Kimberley and the outback through a selection of travel styles, and let the landscapes, culture, food and wine take centre stage. As you travel by 4WD vehicle or expedition small ship, an APT Tour Director is on hand, to help you get the most out of your holiday.

Remote Journeys

Join a small group of travellers and venture off the beaten track on a custom-built 4WD vehicle to discover the road less travelled on an APT Remote Journey. Spend your days hiking through national parks and cooling off in pristine waters, and your nights at unique outback accommodation or our exclusive Kimberley wilderness lodges. Your expert Driver-Guide will always be there to lend a helping hand or share a story along the way.

Small Ship Luxury Expedition Cruising

Discover hard-to-reach destinations aboard the luxury vessel Le Lapérouse and Le Jacques Cartier. Jump aboard a Zodiac and head for inaccessible locations, or retire to the sun deck with a cool drink in hand. Your knowledgeable expedition team will be there to ensure your safety, comfort and enjoyment at all times.

Luxury Short Breaks

Take some time to treat yourself to a five-star escape on an APT Luxury Short Break. In contrast to the remote journeys, our Luxury Short Breaks offer an oasis of luxurious, boutique accommodation throughout your journey, which is set at a leisurely pace to allow you to embrace the ultimate relaxation. Best-in-Class Fleet

Custom-Built 4WD Vehicles

When it comes to negotiating some of the world's toughest terrain, APT's dynamic fleet of state-of-the-art, custom-built 4WD vehicles has an impeccable reliability record, ensuring your journey through the outback's rugged landscapes is as smooth as possible.

Custom-built 4WD vehicle

Go the Distance

Due to the remoteness of the outback, daily travel distances vary. Some days you may travel up to 500 kilometres and other days it will be significantly less. On unsealed roads, the going can be rough, so covering the required distance can take longer. Regular comfort stops are always made along the way.

A Seamless Adventure

To ensure your Kimberley or Outback Wilderness Adventure goes ahead without any problems, thorough vehicle servicing is conducted before, during and after your journey.

Custom-Designed 4WD Vehicles

Our specially engineered 4WD vehicles have been designed for your safety and convenience and boast a range of outstanding features. These include:

- Large, tinted windows for panoramic views
- Reclining seats and air-conditioning
- Protective bull bars for added safety
- State-of-the-art PA system
- Interactive infotainment system to watch documentaries, live maps and keep an eye on the road ahead.

Our Commitment

Home to some of the oldest cultures and rarest ecosystems on the planet, the remote Kimberley region has remained largely untouched for thousands of years. This means curating timeless adventures through these precious landscapes comes with a great deal of responsibility to the natural environment and culture of local Indigenous communities.

Supporting Indigenous Communities

To put it simply, our adventures through the Kimberley and Outback Australia wouldn't be possible without our long-standing Indigenous partnerships, and we are committed to maintaining them. Whether it be through providing employment opportunities or making donations to local communities, we work hard to make sure the Indigenous communities of the Kimberley continue to thrive for years to come. Some of our partners include the Kimberley Foundation Australia, the Kandiwal Community, Wunan Foundation, the Imintji Community and Kimberley Cultural Adventures who we support by offering guests the opportunity to book their optional tours.

Advanced Excellence in Ecotourism

The fact we are the only major tour operator in the Kimberley with an Advanced Ecotourism certification speaks volumes, and reflects just how committed we are to maintaining the environmentally sustainable practices we've adopted over the years across our network of wilderness lodges. 2023 marks 17 years of our Advanced Ecotourism certification, and we are proud to continue offering experiences that have minimal impact on the region's pristine natural environment.

All-Inspiring Experience

At APT, we like to make things as easy as possible. Our holidays are what we like to call an All-Inspiring Experience. Our prices always cover everything as detailed, including airport transfers, portage and more, so you can rest assured knowing those details have been taken care of. Plus, all prices are guaranteed once your deposit has been paid. And when you're away, everything is covered as detailed. It's the sort of luxury that sets you free.

Glossary

Clarifying the intricacies of an APT Kimberley & Outback Wilderness Adventure.

a

Adaptors & Electricity

In the Kimberley, our wilderness lodges generate their own power. Each lodge can assist in charging items such as phones and cameras in central dining areas. CPAP machines can be accommodated when advised at time of booking.

On board your cruise, the voltage is 200V AC (European standard) and 110V AC (North American standard). Limited number of adaptors are available on board, or you are welcome to bring your own. For safety reasons, hair irons and clothes irons cannot be used in staterooms. Hairdryers are provided in each stateroom.

b

Beverages

A selection of alcoholic and non-alcoholic beverages are included at your discretion on board throughout the day. Most lodges and hotels in the Kimberley are licensed to sell alcohol. They stock a limited range of alcoholic beverages for purchase, allowing you to enjoy an evening drink. Guests cannot bring their own alcohol. Alcohol is not permitted in some areas visited.

c

Clothing

The dress code on our cruises and tours is relaxed. When packing, consider the time of year you are travelling and that it can potentially be quite cool at night, particularly on inland tours. We recommend layering your clothing so that you can be prepared for changes in weather conditions throughout the day. Sturdy footwear is essential, and wet shoes are highly recommended on some tours.

For your cruise, light, comfortable clothing is ideal for during the day, but smart casual clothing for evenings on board the ship is recommended. You may wish to bring something a little dressier for the Captain's Dinners and cocktail evenings, however there will be no black tie or formal evenings.

It is essential you bring shoes that can get wet (e.g. reef shoes or rubber sandals), and are comfortable for walking in, for wet landings on shore. Flip flops or thongs are not appropriate. Your luggage should include a breathable windproof/waterproof jacket, hat with brim and walking trousers/shorts.

Currency

Australian dollars (AUD) are used on all 4WD land adventures. Euro (EUR) is the currency on board our expedition ships. Settlement of shipboard accounts are accepted with Visa, MasterCard and American Express.

d

Dining

At our Kimberley wilderness lodges, enjoy breakfast with hot and cold options, grab a packed lunch before you head out for the day, then savour a chef-prepared three-course dinner each evening.

All meals are included on board your cruise, including morning and afternoon tea.

Should you have any special dietary requirements, you must advise these at the time of booking.

e

Expedition Cruising

Expedition cruises are active and involve regular use of Zodiac vessels. These cruises feature a taste of exploration and adventure with an expedition team including naturalists, marine biologists, historians, geologists and photographers. A sense of adventure is required to take advantage of opportunities as they occur to enhance your cruise.

h

Health & Fitness

As Kimberley & Outback Wilderness Adventure tours visit remote areas and feature activities with varying degrees of difficulty, it is vital to select a tour with an activity level suited to your health and fitness. A good level of fitness is essential for you to undertake walks in hot conditions and over terrain with uneven and slippery surfaces. Some walks will require you to clamber over boulders up to one-metre high.

The nature of expedition cruising requires regular embarkation and disembarkation of Zodiacs for shore access, as well as wet landings on remote beaches, where footwear will get wet. Guests must be able to climb ramps and step in and out of smaller vessels. Walking frames are not permitted on any shore excursions.

It is your responsibility to carry any medication (which may require a cooler bag). Consult your local medical practitioner for any health advice.

I

Internet & Wi-fi

In the Kimberley and parts of the outback, mobile phone service is extremely limited. Wi-fi internet is usually available at all our Kimberley wilderness lodges and may also be available at other resorts/hotels at a cost but is not guaranteed. Wi-fi internet is included on board the ships, however it is limited and not guaranteed. Mobile coverage is not available during the cruise due to the remote locations.

L

Laundry

On 4WD land adventures, in-room hand-washing opportunities are available at each of our Kimberley wilderness lodges (however, washing is not encouraged at Bungle Bungle Wilderness Lodge due to water conservation principles). In larger centres hotels may feature coin-operated washing machines and dryers or they may offer laundry services (own expense). Our expedition ships have laundry services (own expense).

Luggage

As a general rule, airlines permit passengers in economy class to take one piece of luggage that does not exceed 160cm (63 inches) or weigh more than 20kg (44 pounds). We advise you to contact your airline carrier or travel agent for specific information prior to departure, as size and weight limitations may vary.

Each cruise guest is entitled to take one piece of luggage that does not exceed the above specifications.

On 4WD land adventures, due to the size of 4WD vehicles and strict regulations for vehicle weight, there is limited luggage capacity. Please pack your required items into one small bag (no hard suitcases) weighing no more than 16kg. Alternatively, suitcases are acceptable if they fit within the following dimensions of 66cm length x 35cm width x 32cm height. Please enquire about our APT duffle bags. If you have excess luggage, please arrange for it to be stored at your hotel if returning to it post tour or organise for it to be forwarded to the tour's final destination (at own expense).

P

Passports & Visas

Cruise guests must have a valid passport with at least six months' validity from the return date. It is your responsibility to ensure these are obtained prior to departure. No visas are required for Australian and New Zealand passport holders.

T

Travel Insurance

Travel insurance is mandatory on all cruises and highly recommended on all land tours. Purchase comprehensive cover for any unforeseen circumstances that may arise on tour or before leaving home (this includes cover for any cancellation penalties, remote evacuation, medical and curtailment expenses, loss of luggage, etc.).

W

Weather

May through to September are the best time to travel through the outback as it is mostly winter time in Australia, however, it is the dry season for the tropical regions of Cape York, Northern Territory and the Kimberley.

In South Australia and outback Queensland, temperatures are more moderate in winter.

For our Western Australia coastal tours, the best time to travel is from the beginning of July through to October.

The Kimberley region can be divided into two seasons – a wet season and a dry season. The dry season (May to October) will be mild to warm during the day, but can be very cold at night. From June to August, the days are fine and warm with cold nights. Inland conditions at night can drop to below zero degrees Celsius. Rainfall is rare.

Z

Zodiacs

Zodiacs are versatile, inflatable boats, which provide a unique platform for observing wildlife and enjoying landscapes from sea level, enabling you to get closer to the sights. They provide a fast and safe way of going ashore in remote locations and are invaluable for exploration.

BOOKING & PAYING FOR YOUR HOLIDAY

Airfares

Air travel is arranged with independent airlines. APT will arrange air travel as advertised in connection with your holiday package or otherwise arranged with APT. All airfares are subject to flight and booking class availability. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airline. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. APT is not liable for delays or disruptions of air travel. Once tickets are issued APT will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights.

Airline Loyalty Points Eligibility

APT uses the services of a range of airlines in its packages. APT does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use loyalty points to upgrade travel need to be directed to the airline concerned by the member.

APT Deposit Cancellation Peace of Mind

Applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as an APT holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future tour and cannot be redeemed against the original tour departure date. Deposits held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through APT (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. APT Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel

insurance, which you are strongly recommended to purchase at the time of booking.

Travel Insurance

Travel Insurance is not included in your holiday package. For your protection, we strongly recommend you purchase comprehensive travel insurance that includes (without limitation) coverage for the full cost of your holiday package, medical expenses, loss of luggage, land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

Travel Information & Documents

After booking you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket together with your final itinerary. However in the case of late bookings, charges or late payment, tickets may be emailed to you.

Special Requests

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals) is an important factor in your choice of holiday, you must advise us when your booking is made. APT will pass your request onto the hotel, airline or other supplier but cannot guarantee that it will be accommodated. APT will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

Credit & Debit Card Surcharges

If you pay APT by credit or debit card, surcharges will apply. In the case of credit cards a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards a charge of 0.5% will be added to the tour price.

Accuracy

APT has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions, annual events. APT will endeavour to notify you of any significant changes prior to your departure.

Disruption to Cruising and Itinerary Arrangements

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons including, without limitation, road, rail, river or weather conditions, strikes or other reasons beyond APT's control. If conditions render any routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary. For example, without limitation, if there is a water level problem on a river, it may be necessary to operate part of the itinerary by coach and alternative sightseeing may be included. APT will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. APT cannot guarantee exact arrival and departure times for carriers and operators used by APT and APT will not be liable for failure to make connections with any other services or attractions beyond its control.

Flight Changes

The flight timings detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. APT will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

Out of Date Range Flights

If airlines have not published their schedules or airfares at the time of your booking, APT will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, APT will confirm seats and pricing by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, APT will issue your tickets.

Force Majeure

Force Majeure event means the occurrence of an event that is beyond APT's reasonable control and which could not have been reasonably prevented by APT, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, license and the common law as applicable from

time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

Termination of Booking Contract or Change of Travel Arrangements due to Force Majeure

If APT, in its reasonable opinion, considers that any Force Majeure event prevents APT (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, APT may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Limitation of Liability in the Event of Force Majeure

In the event that APT cancels or changes your travel arrangements in any way due to a Force Majeure event, APT will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the Force Majeure event. APT is not liable to refund any part of the deposit or purchase price paid by you if APT subsequently changes or cancels your travel arrangements in connection with a Force Majeure event. Force Majeure events are unpredictable and beyond APT's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks. You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of APT based on expected non-recoverable costs and expenses to be incurred by APT, including but not limited to overhead expenses and works or services performed personally by APT, leading up to the commencement of the holiday package, alternatively prior to the Force Majeure event.

Data Protection Policy

Although we take care in selecting the independent service providers and the optional excursions conducted by some independent service providers, APT is not responsible for the conduct of the independent service providers, their servants and agents or for any ramifications of that conduct. Optional excursions may, depending on your holiday package, include activities such as climbing, exploring, bike riding, swimming and snorkelling. You accept and assume the risk involved with these activities.
- If, in the opinion of any representative of APT, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or result in you becoming objectionable to other passengers or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. APT representatives are empowered to ask guests to depart a holiday package if they are displaying known COVID-19 symptoms. Abuse or harassment of any kind toward crew, contracted suppliers or other guests may result in immediate removal from a holiday package. Guests will be responsible for arranging and paying for their own transport home if they are asked to leave the tour. APT is not liable to you for any costs associated with such decision and you will not be refunded for any part of the holiday package.
- APT accepts no responsibility for any death, injury, illness, loss (including loss of enjoyment), damage, detention, delay (including mechanical breakdown) beyond its control.
- Any term, condition or warranty expressed or implied by statute or otherwise in respect of the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in these booking conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended, consolidated, supplemented or replaced.
- To the full extent permitted by law, APT's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including but not limited to pure economic loss or any special, extraordinary or punitive damage to you or any other party.
- Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of APT in respect to any monies paid to your travel agent unless and until APT notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by APT. APT reserves the right to cancel any ticket or booking or refuse to carry any passenger where payment has not been received by APT within the specified time.
- Specific meal requests are requests only and cannot be guaranteed.

Our publication contain limited information, however, there is more information on our website at aptouring.com.au and our qualified staff are available to discuss your options.

Hotels

In more remote locations, hotel standards may not be as high as in major centres. APT endeavours to utilise the most suitable accommodation available in each destination to ensure that

passengers enjoy high levels of cleanliness, comfort and service. The hotels listed in this publication will be used on almost all holiday packages, however, if a change is necessary for any reason, APT will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown.

Passengers Needing Special Assistance

APT welcomes passengers with disabilities or special needs however, please note the following:

1. Any disability or medical condition requiring special attention must be reported to APT at the time of booking including all important information relating to your health, mobility and fitness which may affect your partial or total participation in the cruise or tour. This information is also crucial to allow APT to ensure the tour you have chosen is suitable and meets your needs. Any changes to health, mobility and fitness must also be reported to APT as soon as possible and prior to departure. Where possible APT will make reasonable adjustments to the tour to accommodate your special needs however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.

2. If you require special assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), you must travel with a companion capable of providing the required assistance or care. Please be aware that APT does not provide personal assistance. APT is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for special assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While APT will make reasonable efforts to accommodate the special needs of disabled passengers, it is not responsible for any denial of services by any third party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches and minibuses are not equipped with wheelchair ramps. Further, side by side docking may require passengers to climb. Cabin doors and restrooms may not be wide enough to allow access by standard wheelchairs. Wheelchairs and walkers cannot be carried on coaches, due to space limitations. For safety reasons, passengers in wheelchairs cannot be carried on ramps in ports where the river or ocean cruise ship is at anchor. APT is unable to provide individual assistance to any passenger for walking, dining, disembarking or embarking cruise ships and/or coaches or other transportation vehicles or other personal needs.

Passports & Visas

All Small Ship Luxury Expedition Cruise passengers must carry a passport which is valid for a minimum of six months from the date of your cruise conclusion. Meeting necessary passport and visa requirements and cost is the sole responsibility of the passenger. Non-Australian passport holders, or passengers who are not permanent resident permit holders for Australia, may require a visa to enter Australia. APT is not responsible for delays or missed portions of cruise/tour relating to incorrect travel documents.

Health & Fitness

A good level of fitness and health is required to participate on APT's holiday packages. In some destinations there are extensive sightseeing excursions by foot which includes the climbing of stairs and walking on uneven surfaces. Mobility is needed boarding or alighting coaches and trains. Our Small Ship Luxury Expedition cruises require you to be able to climb in and out of Zodiacs and some of our excursions may involve wet landings (see Shore Excursions for more information). We recommend a visit to the doctor before travelling to overseas destinations and consulting with them regarding any vaccinations which may be required. It is your responsibility to advise APT of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other passengers. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. APT is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

Shore Excursions

The timing of the shore excursions on all cruise ship holiday packages may differ slightly for each package. The published times are a guide only and are subject to change without notice. Passengers must be able to climb ramps to embark or disembark cruise ships and tenders. Small Ship Luxury Expedition cruising holidays require several wet landings, whereby feet and legs may be fully immersed in water during embarkation and disembarkation of Zodiacs or tenders.

IF YOU CHANGE OR CANCEL YOUR HOLIDAY

Changes or Additions to your Holiday

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an

administration charge of \$70 per person and payment of any further costs incurred as a result of the change.

Cancellation Policy

For all holiday packages in this publication, the following APT cancellation fees apply:

Days of Notice	Fee Per Person
100 days or more	Loss of deposit
99-61 days	50% of holiday package price
60 days or less	100% of holiday package price

All cancellations must be received in writing by APT and are not effective until this notification has been received. If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed. Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by APT and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of APT's loss and are otherwise reasonably necessary to protect the legitimate interests of APT. If you request changes, or amend your booking in any way after APT has issued your documents, APT may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

Cancellation of Ticketed Airfares

An APT cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

Changes to Ticketed Airfares

If you wish to amend the date or routing on your ticketed air booking, an APT amendment fee of \$30 per person for the first change and \$85 per person for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed Airfare is required, a \$125 per person name change fee will apply for every change in addition to any applicable airline fees.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If we change or cancel your holiday before your departure, APT endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airlines, hotels etc., over whom we have no direct control. On occasion changes do have to be made, and APT reserves the right to cancel or amend holiday packages/excursions accordingly. All tours require a minimum number of bookings in order to be financially viable and to have a pleasant group atmosphere. In the event adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a refund of the monies paid for arrangements made by APT).
